From Our Baron & Baroness

Fontaine, Heed The Words of Estevan and Emily! Battlemoor III Is At Hand!

Fontaine, July has passed, and it was a great one!! We had a wonderful Pageantry in the Hills, and it was another success for our Barony. Syr Tam Grimm did a wonderful job hosting and the help of, THL Michele, THL Argyle, THL Evain, Lady Dairine, Lord Gareth of Rio and many others made it so those who came and participated in this fine event will speak of it for many years to come. Huzzah to all of Fontaine, and thank you.

As we traveled to al-Barran's Day of A&S we saw many wondrous works of their artisans, and a few of our own showed that Fontaine A&S is alive and well. We would like to congratulate THL Anna Katherine for winning her category of wood working and fiber arts. Well Done and Huzzah!! And while We were there We had the honor to watch Their Majesties offer Their Excellencies Leona and Adrianna admittance in to the right and noble Order of the Pelican.

We are excited to be a part of Lord Rowland and THL Isabella's union, and we wish them a lifetime of love. On August 18, the Shire of Rio de Las Animas host their annual Defender and call for all fighters, archers and artisans to compete to be the next Rio Defenders, and as we call Rio family, it will be our honor to travel and fight for theses honored positions.

Battlemoor Battlemoor Battlemoor!!!! Be There, Be There, Be There.

Fontaine, we have been called to task for Battlemoor. The war of the north and south has begun and we have allied ourselves with the fine barony al-Barran. Their Excellencies Otto and Elisee have asked Fontaine to bring Our mighty light and heavy fighters, archers and artisans to fight beside them. Fontaine WILL Answer!! We shall prevail and defeat the northern armies! We are Fontaine, guardians of the western borders, battle-hardened warriors and artisans of the mighty Kingdom of the Outlands!

Hope you remembered to pre-register! Our land allocation depends on it!

In Loving Service
Estevan and Emily

From Our Seneschal

Greetings to the Populace of Fontaine!

Well, July was a great month for our Barony—the Fontaine Water Wars on the 4th of July was an absolute blast! I hope everyone thoroughly enjoyed themselves! Everyone stayed cool that day, and I have the photos to prove it!

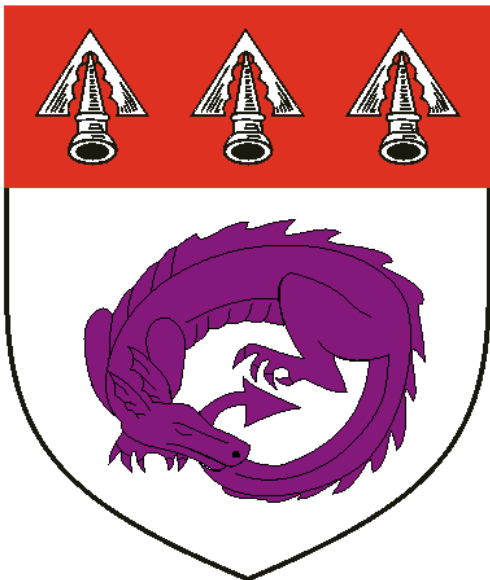

And then we had such a great time hosting Pageantry in the Hills, our fighter practice “non-event”. A huge thank you goes out to Syr Tam, Their Excellencies, Estevan and Emily, and all who worked so hard to make it happen! We were so gratified to see so many travel so far to visit and play with us!

August looks to be no less busy, either! Our Shire cousin to the north, Rio de las Animas Perdidas will be holding its annual Defender event on Saturday, August 18th. We hope that many Fontainese will be able to travel north to enjoy our cousins’ hospitality and the wonderful competitions of the day!

And then! On to Battlemoor! Beginning August 29th and going through September 3rd, we hope that everyone can join us in all of the wonderful fighting, shopping, tournaments, parties and fun that an event like this has to offer! This is not an event to miss!

If you haven’t already, please don’t forget to pre-reg for Battlemoor before August 7th. This will ensure that our Barony has ample room for our encampment.

One more thing: we have a short demo with Big Brothers/Big Sisters here in Farmington on Tuesday, August 7th at the Farmington Library from 5:00 – 7:00 PM. This will be your opportunity to show the young folks in our community what you have learned from the books you’ve read and treasure—so bring your favorite things, bring a couple of books you love and show these young people how important reading is to your world and how it can be that important in theirs, too!
Enjoy your summer, everyone!

THL Evain Macrae

Training Provided

Inquire with Lady Dairine, Baronial Geek and Chronicler, for more information
chronicler@fontainesca.org

In all seriousness, I've had the pleasure of redesigning our Baronial Newsletter, but it is certainly time to pass the torch so I may refocus on my Kingdom Deputy Chronicler Office. If you are at all interested in providing service to your Barony and Kingdom, but haven't yet determined how, the Chronicler position is certainly a good start. Feel free to contact me via email, text or phone for further details.

From Our Baronial Scribe

Scroll Assignments:

I am pleased to announce that all scroll assignments have found their hands into very willing and able gentles of the populace. I would like to remind all who have these assignments that the due date for the scrolls is no later than **August 10t**, so that I can ensure Their Excellencies have them in enough time for whatever events they wish to use them for.

Drawing and Calligraphy Classes:

I would also like to point out that there are drawing and calligraphy classes every Tuesday morning from 9:30 to 10:30am at the Senior Activity Center. These classes are free and open to any skill level as there will be instructors there to help with anything you need. For more information, call (505) 566-2288.

Thank You:

On a side note - I want to thank everyone who stepped up and helped lessen my work on assignments. It helps a great deal and allows many people in the Barony to shine forth with their talents and skills. If you need anything, feel free to call me.

In Loyalty and Service to the Dream,
Lady Aedhagan veih Min An Aoire

From Our Rapier Marshal

Greetings to our beloved Barony,

Our rapier has been an outstanding time to be had by all, and now 'tis time to invite a friend to come and join us this coming month. We will be having tourneys and other competitions so sharpen your wits, bring your blades, and let me know if you would like to sponsor a tourney or challenge between fighters. We are ready to show our great Kingdom where the GREATEST rapier fighters spawn:
VIVE FONTAINE!!!!

YIS,
THL Artorius

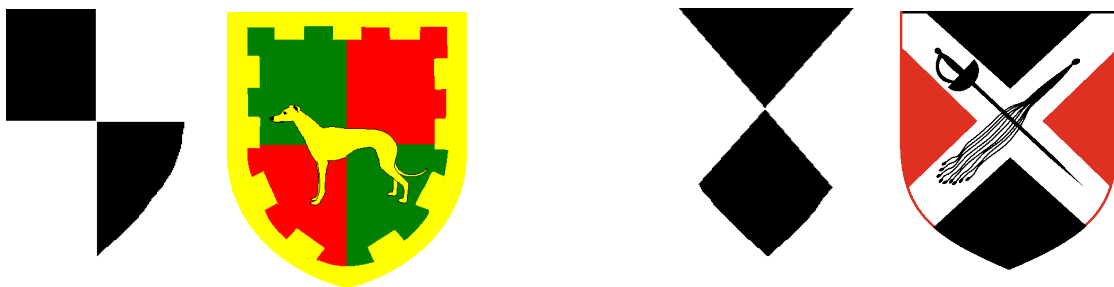

From Our Black Fountain Pursuivant
The Herald's Charge:
3+ field divisions

Last month we discussed two part field divisions. This month we are going to crank it up a bit and talk about 3 and more divisions. Below are some examples and some in-Barony devices that demonstrate these concepts:

3 part Divisions: Per Pall and Per Pall inverted

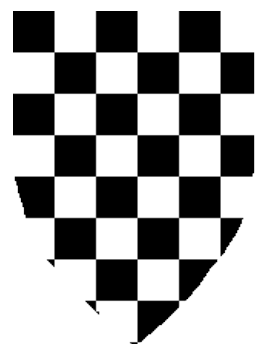

4 part Divisions: Quarterly and Per Saltire

8 part divisions: Gyronny

Many Part Divisions: The number of parts is an unspecified, even number greater than four. The following example is for Cheque. Remind anyone of a certain household in the Kingdom?
