## **OUTLANDS!!!!**

**The dogs of WAR are barking and we must answer their call. Soon the enemy will be upon us and we are ill prepared to deal with them. We must prepare ourselves not only physically but mentally. We must be a trained tactical unit that marches down all opposition without question. If you are going to War you must begin to attend practices regularly or you will not understand the commands are calling or the scenarios and how we will deal with them. So come join us for practice and learn the glory that is Fontaine. We must find the strength to make every moment of practice time worth it. If you are planning on fighting something at War that you are not currently carded for you must be particularly punctual. Join us in battle against a might foe and let us drink and make merry after our victory! Fontaine lives forever!**

Greeting to the populace of the Black Fountain

There has been and will be much excitement coming to us soon. Coming this month will be the website for Our Twelfth Night reveling. I will be working with Lady Louie to create a wonderful website to try to match the fun and excitement of this event.

Also coming this month will be a new link where Members of the Barony of Fontaine Dans Sable may purchase items to show their Baronial Pride. Viva Fontaine!!!!!!!!!!!!!!

I hope to replace the unused People tab on our site with a Pictures Tab, and so I am looking for photos and/or to place on the site to show some of the color of our wonderful Barony. If anyone has photos they would like to see on the website, or any questions please email me at [webminister@fontainesca.org](mailto:webminister@fontainesca.org) .

BARONY OF FONTAINE DANS SABLE

Greetings unto the Populace of Fontaine,

I trust that the Holiday season has found you all in good spirits and a spring in your steps. I know that after all of the excitement it would be fun to lay down and sleep. But it is with great urgency that I bid you all to rise and take arms. The Valentines Massacre will soon be upon us and we must prepare quickly. We have barely over a month to hone our skills and so much to do. I'm calling all fighters old and new to armor up, the Barony needs all of you, even if you're not going to attend the Decimation of Caid in Atenveldt. In preparation we will be having a war practice on Jan 18th from 11:00 am to 3:00 pm in Aztec. Any and all who can make it are urged to attend the Southern War Practice in St. Goliass on Jan 24th. I look forward to crossing blades with all of you.

In service to the Barony  
Lord Argyle McGreggor

Greetings unto Fontaine and Happy New Year!

As we start another year and reflect on year's past, it gives one pause. We have several in our midst with health issues – may all of you recover your health and live long productive lives.

For those of us fortunate to have good health – may your good health continue. May all of us have good fortune in the coming year and may life treat you kindly. May our Barony continue to grow and may all of us practice the way of chivalry!

We have many events coming in the near future. Our 12<sup>th</sup> Night Celebration is just a couple of weeks away. If you are able, please volunteer to help Lady Louie, as this will be a marvellous event.

The Estrella War is a few weeks off, a matter of 36 days as of this writing, and we must prepare to defend the mighty Outlands! War practices are being held around the Kingdom and we will host a War practice following 12<sup>th</sup> Night. Come out to fighter practices, repair your armour, sharpen your blades, and hone your skills for this is an event not to be missed. The warm fields of Adenbelt await our arrival and tremble with the thought of the power of the Outland's mighty Army!

In Service to the Dream,

Lady Elyenora
